28 start-ups to display their products at Pune Connect

TIMES NEWS NETWORK

Pune: Twenty-Eight start-ups, most of them from Pune, will showcase their products and services to potential investors and mentors under the aegis of Pune Connect—an event by SEAP which aims to promote the start-up ecosystem in the city.

Over 180 applicants vied

to get into this year's list and about 28 made the cut. The event, in its fifth year, will be held on Saturday.

Most of the startups are

from the technology space and will represent the automotive, robotics, food-tech and pharmaceuticals sub-sector. Since its inception in

2011, over 96 startups have used this platform to showcase their products and to meet potential customers, investors, partners, mentors and other affiliates.

Five angel investors — India Angel Network, Mumbai Angel Network, Ankur Capital, SME JoinUp's Venture Garage and Few Angel Investors — will be participating in this year's event.
