

Dear SEAP Member,

We have indeed come a long way in fighting the battle, both on the pandemic front and ensuring continuity of business. Last year taught us many lessons. We at SEAP commend the IT industry and the people of Pune on being strong and resilient. SEAP thanks all, Government administration, health care workers and ecosystem partners for their immense contribution to Pune and the IT community at large. SEAP wishes all a prosperous and healthier year ahead in achieving your goals.

- Ashwin Megha, President SEAP

Milestones Achieved 2020-2021

SEAP Support Activities:

Since last year, we felt the impact of the COVID-19 virus. SEAP member companies and its Executive Committee supported various initiatives aimed at helping IT Industry to fight the pandemic. SEAP played a vital role to ensure effective government-industry communication and facilitated E-pass support, timely update of Government notification and CSR to support hospitals.

STPI Industry Meet: 17th August 2020

SEAP held the STPI - Industry Association meet to discuss post COVID scenario, concerns from the industry and various initiatives from STPI. Participants discussed the challenges with operating businesses, including re-imagining their business models and plans regarding the ongoing Work from Home scenario.
